

# How to hire an apprentice with CAW!

Apprenticeships made easy...

Identify a requirement

Contact CAW to discuss the role

Did you know that businesses report an average increase in productivity by £214 per week when they hire an apprentice?

Have you already a position you are looking to fill or perhaps you are looking into expanding your team?

We can advise which course and pathway can best suit your needs. We specialise in Business Administration, Medical Administration, AAT Accounting and Customer Service.

Complete a job description to advertise the role

We will ask you to complete a template detailing your position which will then be used to advertise the job via channels such as the Find an Apprenticeship website.

Free candidate screening

Select candidates to interview

To save you time we will screen candidates to meet your requirements. The best candidates will then be sent to you to consider.

You can interview your chosen candidates the same as you would for any other vacancy.

Appoint candidate

Now enjoy the benefits of employing an apprentice!

Once you have made your selection we will then help you to ensure an apprenticeship contract is in place.
